Bring a few bucks for a snack. You'll be dropped off at home after our outing by 5pm. **RSVP required to Lindsey.** You know you're signed up when you get a confirmation email from Lindsey. See the calendar for 8 In A Van dates.

PARENT FORUM:

Faith, Nice and Easy

A Two-Week Forum for Parents of Teenagers
 Wednesday, March 21 and 28, 6:30-8:00pm

Parents, join Lindsey Evans and Matt Vaughan in a two-week forum on teenage spirituality. It's true that teenagers who are spiritually devoted didn't get that way on their own. We'll explore ways to invest in the religious life of our youth by referencing the research of Kenda Creasy Dean through her book, "Almost Christian." It is not necessary to own or read the book to participate in the forum. Visit kendadean.com to learn more about her research and writing.

Parents of middle schoolers can participate in the forum while their student attends Cheer.

SUMMER INTERNS

Are you a college student looking to work with youth and gain practical ministry training? The Village Youth staff is now accepting applications for summer interns!

WINTER RETREAT RECAP!

What do you get when you take over 115 Village youth and adult leaders to the snowy slopes of Winter Park, Colorado? An incredible, awesome time! Village youth skied, shredded, and boarded their way down Jabberwocky, White Rabbit, Mary Jane, and a host of other trails on the mountain. We shared fellowship in our small groups, had fun playing games, and heard some great messages from Lindsey and Matt. How great was the trip? Almost as good as a can of salmon, a bag of rice, and some individually wrapped prunes!

CHILI COOKOFF!

**Sunday, February 26th
 5:30 - 7:00pm in Friendship Hall**

All are invited to the Chili Cookoff, benefitting 2012 youth mission trips! You don't have to enter a chili to attend, but we would prefer a reservation for this fun, family-friendly feast. Sign-up information is available in Friendship Hall on Sunday mornings in February. It's \$10 per person or \$25 per family, and raffle tickets will be available for purchase. The tickets can be used to vote for your favorite chili and win special prizes, so bring some extra cash. We hope to see you there!
