

ten24 groups – youth

10th–12th grade high school youth are invited to join a **ten24** group, our new small group ministry! **ten24** will be an unique place where you become part of a family of believers on a smaller scale. It is a great way to get involved and dig deeper into relationships, scripture and life.

- Be in regular fellowship with about ten other youth in a smaller group setting
- Each group will set their own schedule and meeting place for getting together
- Get ready for some incredible fun and creative activities in your **ten24** group

ten24 is based on Hebrews 10:24–25, which says:

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.”

Each **ten24** group will consist of about ten gender, grade-specific youth, plus two adult leaders. So sophomore girls will have their own group, sophomore guys will have their own group, etc. All youth are invited, even friends! All participants are asked to commit to meeting together at least once per month for about six months (24 weeks), or according to each group’s goals and wishes.

We’ll launch **ten24** groups for sophomores through seniors. Freshmen are typically involved in a confirmation small group beginning in January, and are invited to join a **ten24** group next year.

ten24 leaders – adults

We need several leaders – parents and adults – to lead each of our small groups. It’s easy, and it’s fun! The first three sessions are planned, and include great activities. Groups can begin by preparing and enjoying a meal together, having a game night, or watching and discussing a movie.

Leaders need to pair up to make **ten24** groups a success. Two dads can work together, or two moms, or two roommates, or the youth staff can pair up leaders. Parents are encouraged to lead groups that do not include their own kids. Adults, we need your help!

sign up today! please drop off your forms in the youth office by october 28, 2007.
